Trailer brake safety

Whatever the nature of your business, the safety of drivers, other road users and pedestrians is always a top priority. And with recent increases in public safety awareness, falling foul of safety legislation can have serious consequences. Ensuring that brake systems are working correctly, particularly on heavy vehicles, is fundamental to minimising the risk of road accidents and at the top of Ashcroft Trailers agenda.

Making sure the brakes on your current trailers are well maintained and effective – and that your new trailer purchase is up-to-spec – will cut costs and reduce accidents, says **Tony Mitchell**, from the [Health and Safety Executive](#).

KEY FINDINGS

Poor trailer brake performance results in:

- Low braking performance
- Possible brake failure
- Costly repair bills
- Breaking the law

ASHCROFT BRAKE ROLLER TESTER

It is our policy to brake test all vehicles or trailers at our workshop after routine servicing and inspection, or after brake repairs have been conducted, thus providing you with added peace of mind with regards to the road safety of your vehicle's.

As part of our commitment to excellent customer service, we will also provide a printed report for your own records and test any vehicle or trailer upon request.

WHATS THE COST OF A MINI SERVICE & BRAKE TEST

A test will cost in the region of £60-£100, for batches of trailers / vehicles discount may apply.

ASHCROFT TRAILERS

Cutting your downtime & costs

Cutting both trailer overheads and downtime are perhaps the two most significant challenges facing businesses today, a fact well appreciated by Ashcroft Trailers.

At Ashcroft Trailers we have over 30 years experience in the commercial vehicle industry, our workshop caters for 'all makes' of Trailers and we can carry out anything from small repairs to large modifications in a quick turnaround time.

ASHCROFT TRAILERS

Welcomes new staff member

Ashcroft Trailers are delighted to announce a new member of staff Neil Warburton.

Neil has been brought on board as the new Hire and maintenance controller to replace Eddie Anderson, retiring after 26 years service.

Neil can be contacted on 028 9083 2641 or at neil@ashcrofttrailer.co.uk
